† The regnal years of Henry VIII. began on the 22nd of April and ended on the 21st of April; consequently April 19th, 25 Hen. VIII., corresponds with April 19, 1534.

‡ Written under the "Sum of all the receytis this yere."

§ Thomas Hauxbe was Churchwarden in 1532-3, and I am inclined to think these items belong to about the date here given.

|| Perhaps Beleme was the carver referred to above.

¶ There are five other brief entries on this page, but they have all been cancelled, and are not of sufficient importance to copy.
