- Green, M., 'Hayle Mill: how a small papermaking company thrived in the nineteenth century using traditional techniques which were being superseded by new technology in the mainstream paper industry'. PH.D. London, 2011.
- Klevnäs, A., 'Whodunnit? Grave robbery in early medieval northern and western Europe', Cambridge PH.D., 2010. [Mainly on east Kent.]
- Pittman, S., 'Elizabethan and Jacobean Deer Parks in Kent', PH.D., Kent, 2011.

RECENTLY CATALOGUED ARCHIVES

During 2011 the staff of the Kent Archives Service have been preparing their collections for a move into the new Kent History and Library Centre. Only a very few new items have been catalogued and it has therefore been decided to omit the Archive section of the Bibliography this year. Next year's section will include material catalogued in both 2011 and 2012.
